Charges from July 2009 – Definitions

Any vehicle or trailer may be referred to the weighbridge.
If a vehicle is entered in the weighbridge system, charges will apply.

Resident waste is domestic waste generated in a residence in Manly, Mosman, Pittwater or Warringah Council areas and transported by the resident.

Non-resident waste is domestic waste generated from outside Manly, Mosman, Pittwater or Warringah Council areas.

Contractor's or commercial waste is waste from any region transported by a contractor or business.

Free tipping of *under 300kg* of household recyclables and ***under 300kg*** of vegetation is only available to residents of Manly, Mosman, Pittwater or Warringah Council areas. This must be transported by the resident – and proof of residency shown. Free resident recyclable and vegetation loads may only be delivered in a car, station wagon, standard size box trailer or ute.

Limit of 300kg - The Centre attendant will assess 300kg of vegetation as equivalent to a **standard 2m x 1.2m x 0.3m box trailer** loosely packed with vegetation (not logs) to a depth of one metre.

Car or station wagon loads are not to exceed 60kg.

A Standard box trailer or ute containing mixed waste is a single axle, 2m x 1.2m x 0.3m box trailer loaded to a height no greater than 150mm above trailer sides. A rate applies to loads estimated to be more than 300kg. Any overloaded or heavily laden standard trailer or ute will be charged as an **Oversize ute, trailer, van** or referred to the weighbridge.

An oversize trailer is a double axle or modified single axle box trailer with extended sides registered for loads less than one tonne, or a heavily laden standard box trailer or ute with a mixed waste load under 500kg.

Attention all Kimbriki customers

The weighbridge service is for all vehicles and trailers registered to carry 1 tonne or more or any vehicle referred to the weighbridge by Centre staff.

Any customer may nominate to use the weighbridge service. **Minimum charges apply.**

A Centre Attendant will direct customers to use the weighbridge service for loads of over ½ tonne of mixed waste or over 400kg of vegetation.

Vehicles carrying **three or more mattresses** are requested to use the weighbridge service and will be charged a special rate for mattress disposal.

Vehicles carrying **three or more domestic size carpets or a single roll of equivalent size** are asked to use the weighbridge service. The mixed waste rate will apply.

Please note that all charges at Kimbriki are agreed jointly by Manly, Mosman, Pittwater & Warringah Councils. If you wish to discuss charges please enquire at the Kimbriki Administration Office during standard office hours. Charges may be increased after one month's advertised notice.

Centre attendants are required to inspect loads, assess charges and direct customers to disposal point/points. Customers must declare **all** waste types and not conceal other waste within loads.

Customers are requested to follow the direction of the Centre attendants, ensure a receipt is obtained for any payment and that the receipt is available for inspection at all times. Receipt audits occur regularly on site.

Payment facilities: Car Entry - Cash, EFTPOS, Credit card (VISA, MasterCard & American Express authorised on site by card holder) and pre-approved credit account.
