Triple P – Teen Positive Parenting Program

Warringah Council is inviting parents of teenagers to a series of free Positive Parenting seminars between 19 May and 2 June.

“The three part Triple P program is presented by Gita Laub, Parent Educator with Child and Adolescent Parenting, and will provide parents with positive strategies to promote their teenagers’ development,” said Warringah Mayor Michael Regan.

“The Teen Triple P Seminar Series is designed for parents/carers of teenagers and is part of the evidence-based and internationally recognised Triple P Programs from the University of Queensland,” said Mayor Regan.

Parents can choose to attend one seminar or all three.

Free, but bookings essential at youthbookings@warringah.nsw.gov.au

More information at warringah.nsw.gov.au.
